Physical exams will be performed by Dr. Robert S. Williams and his staff. Dr. Williams and his staff have provided sports physicals and medical care to the Flour Bluff students for the past five years. At 4:30p.m., we will no longer admit students into the Varsity Gym for their physical exam. Please enter the doors on the second level, at the front of the gym.

**Parents are not required to accompany their children; however, the medical history needs to be completed on the enclosed physical exam form before the physical is performed. Additionally, please complete the accompanying rules and steroid forms. These forms must accompany the student in order for a physical exam to be performed on May 6. Please remember to include your child’s anticipated sport on the form and indicate the physical being performed is for the 2009 -- 2010 school year. Please remember to document your child’s anticipated grade level in the fall of 2009.**

Each year, a portion of the proceeds collected by Dr. Williams and his staff has been voluntarily gifted to the Flour Bluff athletic department in order to provide a safer, better equipped environment for your student(s). Therefore, we remind you that your participation in the physical exams on May 6 will benefit both your student(s) and the Flour Bluff Athletic Department.

If you choose to have a sports physical exam performed at another facility on another date, please use the enclosed form when the physical is performed. **No other physical exam form will be accepted.** If you have any questions, please contact us at 694-9295.
